Re: Planting on Museum Committee Grounds

Enclosed you will find a sketch of the lawn planting or landscaping which we have done on the Museum Grounds:

Attached you will find receipts totaling $35.00 for money actually paid out.

The bulbs and bushes we had donated.

There was a total of total of 55 manhours donated by the committee and other interested persons in helping get this planting done.

The bulbs were donated from the Netherlands Flower Bulb Institute in Holland.

If there is anything else you need to know, please call me at 678-4101 during day.

We would like to know if we can be reimbursed for the manhours donated, or can we get reimbursed for the $35.00 we expended for actual labor we paid.

Also in addition the 4H Club of Magnolia donated 1 hrs time of 15 4H members, or a total of 15 hours.

Thanks for your cooperation.

June 11, 1975

Mr. Sam Thomas, Chairman
Kent County Bicentennial Committee
Court House
Dover, Delaware 19901

Dear Mr. Thomas:

For the past six months we have inspected all available properties in the Town of Bowers. Our Committee has unanimously agreed that the Tozour property on the Main Street of the town is the best available for the following reasons:

1. The location is on Main Street in the central part of town, on high ground, and a corner property.

2. It has a large lot for parking purposes.

3. The house has 8 rooms and plenty of space.

4. The house has its own artesian well.

5. The lawn has been well kept and could be used for a picnic area.

6. The property has a retaining wall.

A copy of the agreement of sale will be delivered by the 16th or 17th of June, 1975. The purchase price is $8500.00, settlement costs and recording $300.00, survey approximately $150.00, and incurance $150.00, which totals $9100.00.

Thank you for your kind cooperation.

Sincerely yours,

Edna Le Lunyon, Chairman

PROPOSAL SUBMITTED TO: Bowers Beach Museum Inc.	PHONE	DATE: 3/29/76
STREET: attn Mrs. LeMunyon	JOB NAME: Burglar Alarm System	
CITY, STATE AND ZIP CODE: Bowers Beach Del.	JOB LOCATION: Museum	
ARCHITECT	DATE OF PLANS	JOB PHONE

We hereby submit specifications and estimates for: Burglar alarm System to consist of the following: Installing of foil on all 1st floor windows (foil is alimum-about 3/8" wide-super thin-if a hairline crack occurs in it-alarm is sent); contacts on all exterior doors and inside kitchen door; contacts on all windows (they may be raised or lowered); key at rear door to disconnect it only for entry; 1 siren and 1 bell-(front + rear) mounted in weatherproof + tamperproof enclosures; controller. end
This system is the most foolproof and will be without false alarms. When closing-all windows + doors must be shut-a indicator on the controller will be actuated when so-the siren + bell will be tested-then unit armed-all by rotating a key in the controller. If a window is broken or entry thru a door or window is attempted-the alarm will sound, nearly raising the dead.

We Propose hereby to furnish material and labor — complete in accordance with above specifications, for the sum of:
Eleven Hundred + Ninety Four Dollars + 00/100 dollars ($ 1194.00).

Payment to be made as follows:
Within 30 days after installation

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.

Authorized Signature: O B Williams

Note: This proposal may be withdrawn by us if not accepted within Twenty days.

Acceptance of Proposal — The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Bicentennial Year
June 19, 1976

Open
weekends
11 AM To
4 P.M.

Our Museum Property, as shown on the cover, was originally owned by the Williams Family in Bowers. Mrs. Bertha Williams, many years a widow, lived in this house and later sold it to the Tozour family. Mrs. Tozour, to most persons, known as "Aunt Bess" married Captain Tozour, a boat captain in the area and each of them had a son, namely Harry Yingling and Van Tozour, both of Kent County.

Aunt Bess lived in the house many years after Captain Tozour's death, and was well known for her good cooking. Anyone and everyone was always welcome at her big breakfast table and she always had a smile, a witty statement, and a welcome for all.

Aunt Bess lived in the property until 1974, and she is now residing in Courtland Manor Nursing Home in Dover. She was able to be with us in July of 1974 at our "Big Thursday" celebration. She hated to part with her home, as all of us do when we reach a certain age, but she was delighted to sell her property for a museum, and she realized the deep love she had for her home would live on and be appreciated by many people that would visit the museum throughout the years.

To Aunt Bess we owe a deep appreciation for being able to foresee the fact that many persons would continue to pass through the doors of her home as a museum in the years to come, as they had in the years past, and to learn and appreciate the history of the Delaware Bay Region.

The Bowers Beach Maritime Museum Committee
and
The Citizens of the Town of Bowers:

Congratulations on accomplishing the successful establishment of the Bowers Beach Maritime Museum. I can appreciate all of the hard work that has gone into the planning, designing, and implementation of this outstanding Bicentennial project.

The Bowers Beach Bicentennial Maritime Museum is particularly beneficial to the people of the State of Delaware as it will have a residual effect. As you know, many Bicentennial activities come and go, and when they are over, the citizens of Delaware no longer have an opportunity to enjoy these projects. But as far as the Bowers Beach Maritime Museum is concerned, Delawareans, as well as visitors from other states, will be able to enjoy your Bicentennial project for many years to come.

Please accept my sincere commendation for the performance of this outstanding Bicentennial endeavor, and Best Wishes.

Sincerely,

Sherman W. Tribbitt

HOW IT ALL CAME ABOUT

On a morning in June of 1973 a lady from Bowers Beach, Mrs. Edna LeMunynon came to me in Governor Tribbitt's office where I work, and talked to me about the possibility of having a Maritime Museum in Bowers Beach. I very well knew what she was talking about as I had graduated from St. Michaels High School in Maryland where the Maritime Museum has been such an interesting and successful project. I had a summer cottage in Bowers and had been going to the beach since the early sixties and was interested in the community.

Soon thereafter we began to have meetings at Bowers Beach. After several get togethers, we went to the Mayor and Town Council to obtain their interest, and then Edna LeMunynon, Jane Boone, Coleman Morris, Margaret Shaver and I were officially appointed by the Mayor and Town Council as the Bowers Beach Bicentennial Maritime Museum Committee. We began to dream of owning a property and starting this museum. Our first project was a flea market and rummage sale held at the Bowers Beach Fire House, followed by a bus shopping trip to Reading, Pa. on which we made money. It seemed as we progressed that there was a lot of interest and we began to work toward the "Big Thursday" — Fourth of July affair in 1974. After much hard work, persuasion, etc., we had a great Fourth of July at the Beach and made ourselves a good sum of money.

Later we had Sunday Afternoon tours of Ann Sparklin's home and gardens near Milford. Ann, by the way, is the suthor of "Big Thursday" and "Lilly Jo".

So with hard work, selling chances, and plugging on, we accumulated a little nest egg. By this time funds were growing and it was the Bicentennial year. Federal funds were beginning to come to the state and many projects were being started.

On the 4th of March, 1974, Bowers qualified as a Bicentennial Town. We were the Fourth town or city in Delaware to qualify of which we were mighty proud. Milford, New Castle, and Newark were the only three towns that qualified ahead of Little Old Bowers.

John Mickey, now deceased, the past Director of the Delaware American Revolution Bicentennial Commission, was most interested in our project and helped tremendously. Also we began to pursue Levy Court of Kent County and the Kent County Bicentennial Committee. After many meetings and our presentations to these associations, interest in our project grew.

In July of 1975 we acquired the contract on the "Tozour Property." Maurice Hartnett, III a Dover Attorney, did much to help us with the legal work and to him we are grateful. We now knew our dream was growing and would become true.

Then the renovations began — with Coleman Morris as Chairman of the renovations of the Building, we have arrived at what you see today. Many complications developed, but some way each obstacle was overcome to bring about this Happy occasion. We now have only three of the original members of the Committee left — Margaret Shaver and John Moyer, Jr. are no longer with us.

We have had the help and cooperation of the Bowers Fire Company, the Mayor and Council and the many contributors to the museum, and the people who have helped with dinners and all fund raisers; also the boys and girls of the Town and the Girls 4-H Club of Rising Sun helped us with flower planting.

Without the Bicentennial Committee of Kent County, we could not have achieved this accomplishment, and to everyone in Kent County who helped promote this project, we are certainly indebteded. So to each and everyone who has helped along the way, we say a great big THANK YOU.

It is not our museum, but the museum of the people of Bowers, Kent County, and the State of Delaware. We hope you will continue to help us and enjoy the past, present, and future of the BOWERS BEACH MARITIME MUSEUM and the history and activities of the Delaware Bay Pioneers.

Dear Mr. Mickey:

In compliance with your phone conversation with Mrs. Helen Achtenberg in the Governor's office recently, I herewith submit to you the program the Bi-Centennial Committee of Bowers Beach has planned for the July 4th Celebration (this current year of 1974) in commemoration of "Big Thursday" in this community.

Attached also is the budget of the expenditures we anticipate for this affair.

We sincerely hope that you will give this your prompt attention and advise us if we can qualify for any funds to help us with this affair.

We certainly hope you will give us every consideration and help us with these funds as we are a very small community and need help and assistance.

We shall look forward to an early reply since we have alot of work to do in preparation for this event and need to know where we stand. Contact me at my address, or call Helen Byrd Achtenberg in Governor's office at any time (678-4101) since she is a member of our committee in Bowers. Thank you.

Yours very truly,

Edna LeMunyon

Edna LeMunyon
Chairman of Bi-Centennial
Committee of Bowers Beach

Mrs. Edna LeMunyon

Dear Mr. Mickey:

Re: Bowers Beach Maritime Musem Project

It was a pleasure talking to you today on phone, and I thank you for your valuable time.

Enclosed you will find a statement from the Chairman, Mrs. LeMunyon, which I hope is what you need to make the application out for us. If you have any further questions, call me in the Governor's office.

We have great enthusiasm for this project, by our Committee, the Mayor and Council of Bowers, and others. I personally feel that it will be a huge success.

Simply mail the application to Mrs. Edna LeMunyon, Bowers Beach, Frederica, Delaware for signature. Needless to say, we appreciate your help.

If at any time I can be of service to you in relaying messages to anyone in the Governor's office, including Dan Koch or others, feel free to call me.

Sincerely,

Helen Byrd Achtenberg

Dear Mrs. Achtenberg:

Your letter of February 6 and the description of the proposed maritime museum project for Bowers Beach is interesting and provides all the necessary information we need to complete an application for a Federal grant. As soon as we receive the new guidelines from Washington we will prepare this grant and send it to you for signature.

Thank you for your interest.

Dear Sam:

Thank you for passing along Dudley Willis' revised plan for Kingston-upon-Hull. I can assure you that our Division of Historical and Cultural Affairs is vitally interested in this property.

However, we have no state funds for such development. Since the property is on the National Register of Historic Places, it is eligible to apply for 50% matching funds from the National Park Service through our office. Mr. Harvey, of Delaware Wild Lands, has been informed of the grant possibilities.

RE: "Kingston-Upon-The-Hull"

Dear Mr. Reed,

On Tuesday, Febuary 11, 1975, Mr. Dudley Willis presented his revised proposal for the "St. Jones Historical Park," as per enclosed Sketch Book. This project was referred to me as Chairman of the Kent County Bicentennial Committee. I am endeavoring to find if there is any possibility that the State and the County, by cooperating, could promote this project in relation to the Bicentennial Celebration.

Kent County, at this time, is not in the park development and maintanence business. Therefore, I am wondering if there is any possibility that the State Division of Historical and Cultural Affairs. along with Kent County, would consider an even smaller version of the park in this same area. This could be done by preserving the "Kingston-Upon-The-Hull" house and a small area of land with it (not more than three to five acres, if that much). Of course, this would depend upon the ability of the County or the State to obtain title to the mansion, and a small block of ground. It would also necessitate the State or the County reaching someagreement as to access from the Kitts Hammock Road to the property over the lands of Delaware Wildlands Inc.

I would like to have some idea of where the State stands on this project, so that I could present an intelligent proposal to Delaware Wildlands Inc.

They might more readily accept an idea that would appeal to them as conservationista by not disturbing the natural state of the island or other marshland. Bearing in mind the limited budgets of both the State and Kent County Bicentennial, only a small expendeitur from projects could be spent (not to exceed five to ten thousand dollars).

Landscaping and weatherproofing of the "Kingston-Upon-The-Hull" itself would be as far as the Kent County Bicentennial Committee could commit themselves. Until we have a better prospect as to just what the income from projects and celebrations now being planned are, we could make no definite financial commitment. We have been offered some volunteer work in the clean-up stage of landscaping. Please bear in mind that this area has been recommended also because of the County's Tricentennial (from around 1680-83).

I would like very much to discuss this further with you. If there are any questions, please don't hesitate to call me.

Sincerely,

Samuel G. Thomas

2. An Historical Maritime Museum at Bowers Beach, Del.
PROJECT TITLE

3. PROJECT DESCRIPTION (BE CONCISE: LIMIT TO THIS SPACE)

To establish a much-needed and much-desired Maritime Museum. The museum will commemorate the genuinely historical background of this famous, oldtime seafaring community and the surrounding area, including the whole Eastern Shore, Kent County, and the State of Delaware. Easily accessible, it will attract visitors from all the surrounding states as well as Delaware. It is a naturally located(geographically) site, ideally situated in the center of the Delaware shore. The Bowers Beach Museum Committee already has an imposing array of museum pieces to install with promises of many more upon opening--others will be purchased.

4. HOW CARRIED OUT
An appropriate building will be selected for purchase to house the museum. There are several desirable and practical sites now available, one particularly recommended building being a two-family house readily convertible to a museum downstairs with quarters for a tenant-manager upstairs if necessary. This building is right on the waterfront in the focal point of the town, adjoining the main boat ramp, restaurant, and 500 car parking lot, as well as other facilities. Once established, the museum will be maintained by visitors' donations, private donations, and the already extremely successful fundraising activities of a very assiduous Bowers Beach Committee who have raised $2800. in 1½ years towards the project.

5. NUMBER AND AGES OF PEOPLE BENEFITTED

ALL ages, and prospectively thousands per year in this popular and busy boating town.

Dear Mr. Mickey,

This is to reaffirm as per our conversation this morning that we understand that federal monies cannot be used for cash awards. In our Festival Committee grant of $9,125 (#76-19-3100) we refer to "awards for colonial competitions and certificates for community participation." This was to allow for the purchase of plaques, certificates, trophies, etc., to give commending Festival activities in the various communities in Kent County. None of the awards to be given will be cash awards.

If you have any further questions, please call me.

"FINAL REPORT"

Dave,

Sorry this is so late! You'll find duplication of all my records for Festival projects and the Bowers Beach Museum Projectsenclosed. I have not closed the accounts (zero-balanced everything) because Sam and the Committee are still spending. This is the best I can do for you.

You should find these records fairly easy to understand (I hope). But if you have any questions, call Susan Rowe (County accountant) 678-3100, or Sam.

Good Luck!

Margaret Anne
Kent County Bicentennial

P.S. Sorry we missed you at the dinner. Hope your family is doing better.

September 10, 1976

Mr. Samuel G. Thomas
Chairman
Kent County Bicentennial
Committee
Kent County Courthouse
The Green
Dover, DE 19901

Dear Mr. Thomas:

Enclosed are the federal final report forms for two grants which your committee received. Also enclosed is a letter which is being sent to all grantees concerning disposition of the final report forms and what we are requesting as far as accounting and the archives are concerned.

Please fill out the final report forms and return them to this office as soon as possible. The other information will be needed within the next month but is not necessary at this time.

The two grants in question are:

The Festival USA Program	$9,125.00
Maritime Museum	$9,100.00

Please let me know if you have any questions in this regard.

Sincerely,

David V. Bonk
Grants Administrator

Dear Mr. Thomas:

Enclosed you will find a "Report of Federal Cash Transactions" form. Basically, this form, when completed, is a statement by you that the federal funds that your committee or organization received and the matching funds were spent in accordance with federal regulations and during the ninety days specified in box 10.

Please fill in boxes 11 and 13 as indicated. You will notice that the form indicates that the grant funds and the matching funds need to be accounted for.

Please complete this form and return it with copies of all receipts, cancelled checks, etc. which will account for your expenditures. These are necessary for the federal and state audits which will take place shortly. Any federal funds or interest derived from these funds which is not put back into your program must be returned to this office.

Also, we would like to include as much information as possible about your project, group or organization in the State and Federal archives. Please include with the above a copy of any publication, program, photographs (before and after photos if possible) and/or comments or judgements concerning your project. Please inform us if this will involve any cost.

Please feel free to contact me if you have any questions.

Thank you for your cooperation.

Sincerely,

David V. Bonk
Grants Administrator
