EXECUTIVE ORDER  
NUMBER TWO

TO: HEADS OF ALL STATE DEPARTMENTS, AGENCIES AND OFFICES  
RE: STATEWIDE TRANSIT FOR STATE EMPLOYEES

WHEREAS, it is the policy of the State of Delaware to conserve fuel, promote clean air and reduce traffic congestion; and,

WHEREAS, the State of Delaware is required by Section 182 of the 1990 Clean Air Act Amendments to reduce the number of single occupant vehicles travelling to and from the workplace; and,

WHEREAS, the Delaware Transportation Authority recently established the Blue Diamond Bus Line that, in conjunction with DART and CDT (Central Delaware Transit), provides statewide transit service; and,

WHEREAS, many State of Delaware employees travel within the State during the workday as a result of their employment; and,

WHEREAS, State employees have formerly traveled within the State by means of State provided vehicles or by having the expenses for the use of their private vehicles reimbursed by the State agency; and,

WHEREAS, the State of Delaware would realize a savings of both capital and operational funds by reducing the size of the State automobile fleet and increasing the use of transit by State employees; and,

WHEREAS, the environment of the State of Delaware, especially the quality of the air, would benefit from a greater use of transit by State employees; and,

WHEREAS, the greater use of transit by State employees will promote a decrease in traffic congestion, especially between Wilmington and Dover; and,

WHEREAS, greater participation by State agencies in statewide transit service will promote the expansion of these services to benefit all the citizens of Delaware;

NOW, THEREFORE, I, Dale E. Wolf, by virtue of the authority vested in me as Governor of the State of Delaware, do hereby declare and order as follows:

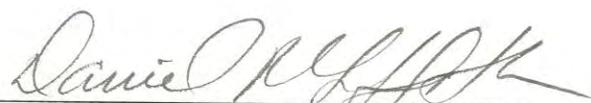

1. Effective this date, all State Departments, Agencies and Offices shall comply with the following provisions:

This information shall be made available by the Commuter Services Administration (CSA). Each agency will be responsible for contacting CSA to request said information.
- b. State employees are strongly encouraged to use the Statewide transit system for employment related travel when the site of the employment activity is within the area served by transit services if the use of such transit services does not constitute an undue hardship on the employee.
- c. Individual department, agency and office heads are responsible for making a good faith effort to carry out the provisions of this Executive Order.
