241 in one 0.17 box and one 1.27 drawer
261 The U.S. Corps of Engineers photographed construction work at Fort Delaware, Fort DuPont, and Fort Mott, New Jersey, before and during the Spanish-American War.
270 Many of the photos document construction inside Fort Delaware, while others show construction of gun batteries, emplacements, and earthworks at each fort. Some photos labeled Fort Delaware may actually be Fort DuPont.
