261 Record of the proceedings at Survey Coordinating Committee meetings. Primarily progress reports or summaries of studies conducted by various agencies cooperating in the survey.
270 Shows date and place of meeting, members attending, reports presented, and items discussed. Subjects discussed include: organizational structure for control and development of water resources, reservoir operations, flood damage, allocation of costs, water uses, hydrology, sedimentation, economics, recreation use, tidal basin, wildlife, land acquisition, saline water, flow frequencies, and water pollution. Also includes a list of others in attendance giving their name and the agency or organization they represent. Appendix contains copies of status or summary reports, maps of the basin area, and charts or graphs of various studies or surveys.
Meetings are numbered and first and ninth meeting minutes are missing.
290
310 Photo copies.
