 261 Working papers of the Joint Finance Committee (JFC) used to create the state budget.
 270 Includes bill drafting voting sheets, governor's recommended budget, JFC general information book, budget epilogue, and grant-in-aid books. Bill drafting voting sheets show the vote number, tape number, who made motion for acceptance and seconded, budget unit, changes to be made in the budget bill, voting record of each committee member, total votes, and if passed. The copy of the governor's recommended budget includes notations of changes.

 The JFC general information book shows the schedules for hearings and budget deadlines, state personnel pay rates, organizational structural changes, positions requested and recommended, financial overview, one-time items, and JFC rules. The budget epilogue book includes general information, one-time items, continuing appropriations, and sections for each budget unit noting if changes were made in specified budget sections. The grant-in-aid books include hearing schedules, grant request lists, seven year history charts, instructions and application form, and bill drafting voting sheets.
