261 Copy of the record of the Commission meetings. The Commission evaluates current and proposed domestic relations laws, reviews rules and procedures of Family Court, and disseminates information about family law to the citizens of Delaware.  
270 Minutes show the date and time of meeting, members present and absent, and business discussed. Subjects include divorce code reform, proposed legislation, public hearings, alimony payments, cohabitation, National Organization for Women (NOW), child support, parent and grandparent visitation, child custody, Family Court judges training and evaluation, and input by the public. Also included is a list of members, 1984-2005, and background information on the Commission.
