261 Records relating to individuals nominated by the governor to fill various positions. These individuals were confirmed by the Senate.
270 Records relating to each nominee include the nomination letter from the governor to the Senate, the nominee's resume, a financial disclosure form, a Senate Executive Committee Report, and a roll call vote sheet. The nomination letter shows the name and address of the nominee, the office appointed to, length of term, and signature of the governor. The Committee Report shows the name of the nominee, dates the Committee received the nomination and sent it back to the Senate, last names of the Committee members, and how they voted. The roll call vote lists how each senator voted on the nomination and shows the session and day number, date and time passed, and voting totals.
