261 Records for cases involving writs of execution. These writs are issued when a defendant is unable to pay a debt to the plaintiff, and the court orders the sheriff to sell the defendant's property to satisfy the debt.
270 These records may include the writ of execution (fierifacias, levafacias, venditioni exponas), property inventory, and orders to the sheriff to view property. They show the court term, case number, names of plaintiff, defendant, judge, and prothonotary, charge, amount due, date to be paid, date of issuance, and signature of prothonotary. Inventories list the property owned by the defendant, appraised value of each item, and signatures of sheriff and appraiser. The orders show whether the sheriff believed the property was sufficient to satisfy the debt.
290 Outside document shows: case number, court term, names of prothonotary, plaintiff and defendant and type of document.
