261 Petitions of imprisoned debtors seeking release from bond, recognizances posted by debtors creditors and oaths of petitioner to convey all property to creditors.  
270 Records contain date of petition, name of petitioner and plaintiff (complainant), court opinion, date of oath, signature of petitioner, prothonotary, and witness; date of summons ordered and issued to creditors, and date of discharge. Early petitions also contained age of petitioner, marital status, number of children or dependents, name of creditors, and amount owed to each.
