 261 Record of request from military veterans or the widows of veterans for
 pension increases resulting from a federal act passed on June 27, 1890.
 270 Generally files include correspondence of claimants, pension claim
 agents and the Bureau of Pensions and application or medical forms.
 Documentation generally includes name and military unit of veteran and
 names of widow or relative of veteran making application, legal agent
 and bureau representative, and date of document. Forms were not
 completely filled out. Of the few files, many of the veterans were Afro-
 Americans

 430 These records were found with other Kent County Court of Chancery
 records. What connection is there with pension claim filing and the
 Court? Of the few envelopes, many are addressed to attorneys in Kent
 County. One in particular had been the Register in Chancery. Need to
 locate Federal Act of 1890 to determine if the pension was for those who
 served during the Civil War.
