261 Summary record of cases brought before the court.  
270 Dockets show name of attorney and mentally ill, infirm, or deceased;  
miscellaneous action case number; date legal documents were filed; type of  
document; and the docket number and page if recorded in another docket.  
The reel and box number, archives box number, and transfer date may also  
be included. Cases usually relate to the appointment of a trustee,  
settlement of estates, especially those involving a trust, and trust  
funds. Court rules, orders, and memorandums were entered in the dockets.  
They also include lists of attorneys who were admitted to the bar. The  
last volume contains lists up to 1983 and notes that after November 2,  
1983, the lists were maintained in files and not transcribed into dockets.  
The last volume also notes that the Miscellaneous Dockets were  
discontinued on June 15, 1973, the information would now be entered on  
docket sheets, and that a new case numbering system would start with #C.M.  
2241.
