261 The Bicentennial Improvement Fund was established to help celebrate the Constitutional Bicentennial by granting matching fund dollars for local projects of lasting value. Considerations in project selection included significance in relation to the 1987 Bicentennial, degree of public benefit, and applicant's commitment and capabilities.  
270 Files relate primarily to Bicentennial activities, events, celebrations and improvement projects. Subjects include the Annapolis re-enactment; commemorative items; 7 December 1987; Lord De La Warr visit; Delaware Day and Philadelphia Bicentennial activities; Dover Constitution Place project; fire hall suppers; Dover Fourth of July, 1987; Golden Fleece Tavern; Heritage Commission; Delaware stamp; Magna Carta; Bicentennial Ball; Constitutional Scholarship Foundation; drawings for Improvement Fund Projects (Hagley, Fenwick Island Town Hall); and Bicentennial reports. Bicentennial Improvement Fund Project files include project applications, correspondence, reports, financial records, news clippings, and photographs. Also included is an "Improvement Program Manual" and Wang system computer disks. Various types of media were removed from the paper records: videotapes were placed in the video tape collection; audio tapes were placed in the audio tape collection; photographs were placed in the general photograph collection; a slide presentation with accompanying audio tape was placed with the slide collection; and signed copies of the ratification document were placed in the oversize manuscript collection.
