 261 Copies of records documenting Delaware land ownership. The copies were made from originals found in New York and Pennsylvania in an effort to fill gaps in the official records of Delaware's land ownership for the years before the state became independent.
 270 The collection includes copies of transcripts at the Philadelphia City Archives made by the Pennsylvania General Assembly from land office papers; Mormon genealogical society library cards for New York and Pennsylvania records that have been microfilmed; Pennsylvania Land Office caveats, proprietary papers, letters of attorney, and Board of Property papers; Pennsylvania land grant books; New York land grant books; Pennsylvania loose land records; New York loose land records; Historical Society of Pennsylvania holdings. For a complete guide to the project see the publication *Delaware Fugitive Records Project*.
