261 A card catalog indexing birth and baptismal events noted in numerous series found in the holdings of the Delaware Public Archives.
270 Birth cards may show the county, record reference, name of child and parents, date and place of birth, race, sex, and if living. Baptismal cards may show the name of the child, church, church location, date, and names of parents. These cards index vital statistical information contained in RG 1500-016 Birth Records, RG 1500-039 Baptismal Register, 1325-004 Marriage Records Collection, and RG 9020-004 Bible Records Collection. Other records incompletely indexed include church records, Court of Chancery records, Orphans' Court records, probate records, published books, and the Archives Deeds Collection.
