 261 Records documenting the financial health and practices of banks,  
 mortgage companies, finance companies, savings and loans, and loan  
 companies in the state.  
 270 Records include quarterly reports to the Federal Deposit Insurance  
 Corporation (FDIC), correspondence between the Commissioner's office and  
 financial institutions, requests for information, FDIC reports of  
 examination, FDIC compliance reports, responses to examination reports,  
 financial statements, audit reports, balance sheets, and appeals of  
 State Bank Commissioner's decisions. The records may show the names and  
 information about the company's officers and directors.
