 261 Proceedings of two meetings of the steering group. The group was
 comprised of members representing commercial interests and Department of
 Agriculture staff. It was formed to discuss management of Delaware's
 forest resources.
 270 Minutes show date of meeting, members present, and business discussed.
 Topics considered include Department of Agriculture responsibilities for
 forest resources, a forest resources planning program, problems and
 opportunities in setting policy goals, land evaluation and site
 assessment, forestry council activities, Port of Wilmington's role in
 exports, and tax policies.
