 261 Records of war bonuses paid to Delaware veterans who served in the military during the Korean War or their beneficiaries. Files contain the application for bonus, a copy of separation/discharge papers (DD 214), and occasionally other supporting documents.
 270 Applications show claim number, name, present mailing address, and phone number of veteran, name under which veteran entered the service, date and place of birth, branch of the service, service serial number, date and place of enlistment, induction, or commission, if presently active in the service, board number and location of draft board, date and place of entry into and release from active service, condition of discharge (honorable or other), if received any service connected disability pension, dates of service outside the United States, total months outside the United States, if legal resident at time of active entry, whether legal residency (12 months) established at time of entry, length of time as legal resident of Delaware, name and legal address of parents or next of kin at time of entry, and prior applications for bonus in this or any other States, received any prior bonus due veterans because of military service, amount of bonus due, date of document, and signature of applicant. Separation/discharge paper shows name of veteran, service serial number, grade or rank, branch of service, organization, date and place of separation, permanent address for mailing purposes, date and place of birth, physical description, number of dependents, race, marital status, if United States citizen, civilian occupation and number, dates of induction or enlistment and entry into active service, place or entry into service, if registered with Selective Service Board, number, county, and state of local board, home address at time of entry into service, military occupation specialty and number, military qualifications and dates for badges received, (for skills such as marksmanship), battles and campaigns participation therein; and decorations and citations received for wounds received in action, types and dates of immunizations, service outside continental United States (with dates of departure and return and place of destination), total length of continental and foreign service, highest grade or rank held, prior service, reason and authority for separation, service schools attended, years of prior education, pay data, insurance notice, right thumbprint, general remarks, signatures of person being separated and personnel officer, date of signing, and character of separation (honorable or other). Supporting documents contained in the file are copies of citations and awards; correspondence to and from the Commission, applicant, and other military personnel or organizations concerning verification of facts or the need for additional information to process the claim; and return cards acknowledging receipt of separation/discharge papers which the veteran had originally forwarded with his application.
