 261 Cash Bonus Claims Rejected, veterans' applications for World War II
 bonus payments submitted to and denied by the Commission.
 270 Files contain original application for bonus claim and copy of
 separation/discharge paper. Both forms show name of veteran, address,
 physical description, branch of service, claim number, dates of service,
 place of entry and discharge, date of document signing, and signature of
 veteran. The separation/discharge paper gives rank, military
 occupation, battles and campaigns, decorations and citations, and dates
 of service outside the United States. Other supporting documents
 include correspondence to and from the Commission and citations. Reason
 for rejection is usually noted on the folder cover or application form.
 In 1955, by an act of the Legislature, cash bonus claims for World War
 II Delaware Veterans were continued thru 1857; In 1957 they were
 extended for an additional year, and in 1961 were opened for several
 months. Index cards to the claims and rejected claims are filed in one
 card catalogue, however, the claims and rejected files were separated.
