261 Record of cash bonus payments made to eligible Delaware veterans and beneficiaries for active service in the armed forces during the Vietnam War as provided for by an act of the General Assembly. Files include application for bonus, copy of separation/discharge papers (DD 214), and occasionally other supporting documents.
270 Applications show claim number, name of veteran, present mailing address and phone number; name under which veteran entered the service; date and place of birth; branch of the service, service serial number; date and place of enlistment, induction, or commission; if presently active in the service; board number and location of draft board; date and place of entry into and release from active service, condition of discharge (honorable or other); notation of receipt of any service connected disability pension; dates of service outside the United States, total months outside the United States, if legal resident at time of active entry; if legal resident (12 Months) at time of entry, length of time as legal resident of Delaware; name and legal address of parents or next of kin at time of entry; legal address of wife if married at time of entry; notation of prior applications for bonus in this or any other State, received any prior bonus due veterans because of military service, amount of bonus due, date of document, and signature of applicant. Separation/discharge papers show name of veteran, service serial number, grade or rank, branch of service, organization, date and place of separation, permanent address for mailing purposes, date and place of separation, permanent address for mailing purposes, date and place of birth, physical description, number of dependents, race, marital status, if United States citizen, civilian occupation and number, dates of induction or enlistment and entry into active service, place of entry into service, if registered with Selective Service Board number, county and state of local board, home address at time of entry into service, military occupation specialty and number, military qualifications and dates for badges received (for skills such as marksmanship), battles and campaigns in which participated, decorations and citations received, wounds received in action, types and dates of immunizations, service outside continental United States (with dates of departure and return and place of destination), total length of continental and foreign service, highest grade or rank held, prior service, reason and authority for separation, service schools attended, years of prior education, pay data, insurance notice, right thumb print, general remarks, signatures of person being separated and personnel officer, date of signing, and character of separation (honorable or other). Supporting documents contained in the file include copies of citations and awards; correspondence to and from the Commission, applicant, and other military personnel or organizations concerning verification of facts or the need for additional information to process the claim; and return cards informing the Commission that the veteran had received the separation/discharge papers originally forwarded with the claim application. [No separate series found for rejected claims; although some rejected files are interfiled with the paid claims and others are

absent. A search of the card file noted validates this.]
310 Photostats of separation/discharge papers.
