 261 Record of the monthly meetings of the Commission. The Delaware General Assembly created the Delaware Health Care Commission in June of 1990 to develop a pathway to basic, affordable health care for all Delawareans.  
 270 Minutes show the date and time of meeting, members present and absent, staff and guests present, and business discussed. Issues discussed include uninsured, S-CHIP, physician shortage, health care reform, long term care, Medicaid, chronic illness and disease management, legal non-citizen healthcare, infant mortality, seat belts, Veterans Hospital, medical malpractice, cost containment, health data, DelaCare, Delaware Families First Project, Community Health Care Access Program, Delaware Health Information Network, Delaware Institute of Dental Education and Research, Delaware Institute of Medical Education and Research, Health Resources Board, and health professionals workforce development. Other records with the minutes may include agendas, reports, meeting attendance list, meeting schedule, calendar of activities, correspondence, and memorandums. Some of the report titles include Total Care of Healthcare in Delaware, Health Disparities in Delaware, and Delawareans Without Health Insurance.
