261 Record of farm expenses and assets.  
270 Record includes an inventory of livestock which shows the breed of cow, registration number, year or month of birth, and appraised value. For other farm animals the type, number, and appraised value is given. The remainder of the volume lists the expenses incurred for the farm operation including the farm shop, cows and dairy, poultry and houses, mules, barns, and implements, pigs, tractors and trucks, wood, slaughtering, smoking, and curing, various types of produce and crops, depreciation of equipment, and coal. Also noted is the production totals for each year for livestock and crops, labor hours for equipment use, and cost of
