 261 Documentation and photographs relating to lobotomies performed on  
 Stockley Center patients.  
 270 Records include two articles, "Prefrontal Lobotomy," and "Adolescents in  
 Distress: Therapeutic Possibilities of Lobotomy;" a list of lobotomy  
 cases; a post-procedure report; form letters to parents and permission  
 forms; and correspondence to parents, the doctor performing the  
 procedure, and other professionals in the field. The photographs (12)  
 show the doctors, the operation room with medical staff and patient, and  
 close-up views of the procedure.
