261 Index to the City of Wilmington death registers.
270 Shows year, name of descendent, and page reference for register entry. These volumes provide only partial indices to the Death Register series(1500-008-061). Entries after January 1916 through March 1919 were not indexed. Indices for the years 1859-1879 will be found in the volumes themselves. Editor's note: random entries from here have been compared with the state vital statistics series, some entries were duplicated but not all. Therefore, it is important to check both series.
