261 Official record of births for persons born in Delaware. Series includes delayed birth certificates for persons who had their birth recorded at a later time. Most of the delayed are pre-1913 births.

270 Certificates contain the following information: certificate number, name of child, place, date and time of birth, sex, single, twin or triplet, if birth was legitimate, father and mother's name, residence, race, age when child born, birthplace, and occupation, number of children of this mother, number of other children living and who had died, certificate of attending physician or midwife including their signatures and address, date filed, and name of registrar. Delayed birth certificates include additional documentary evidence to substantiate birth dates, person's signature, and notarized statement.
