261 Files maintained on state funded burials for those unable to pay.
270 Files may include a candidate for burial as indigent person information sheet, authorization for state burial form, copy of payment voucher to the funeral home, a bill from the funeral home, death certificate, a burial information notice posted in the newspaper, and a bill from the newspaper. The information sheet shows the name of the deceased, social security number, military serial number, place and date of birth and death, age, name and address of relative, name of person providing information, and signature of the doctor. An authorization for state burial shows the name of the deceased, relationship of person giving information, signatures of relative and witness, and date. The payment voucher may show the name of the deceased, date of death, cemetery buried in, and amount paid. The indigents were buried in Potter's Field at the Holloway Campus, Delaware Hospital for the Chronically Ill, Stockley Center, and private cemeteries. See also 1500.11 and 1500.233.
