261 Record of annual, regular, and executive committee meetings.
270 Minutes show the date, time, and place of meeting, members present, and
business discussed. Subjects include rules and regulations, financial
reports, education of the blind, election of officers, building
purchases, expenditures approved, employment of the blind, formation and
operation of the Blind Shop, payment of medical expenses, legislation,
and bequeaths. The name of the Commission was changed to the Council of
the Blind in 1970 as part of Governor Peterson's reorganization of state
government to a cabinet form of government. At that time it became part
of the Department of Health and Social Services.

The 1909-1932 volume includes a list of members of the Commission with
the date of their first appointment. The minutes for 1933-1959 are on
microfilm only.
