261 Daily record of events and staffing at the Hospital, especially noting
absences of professional staff.
270 Events include board meetings, appearance of the Governor and
legislators, entertainments, church services, quarantines, and other
special occasions. Monthly population statistics show number of males,
females, admitted, discharged, died, and total population, names of
employees who resigned, were dismissed or were hired, and the total
amount received for boarding expenses of patients. Those who died within
the month are also noted.
