261 Ledger of appropriations and expenditures for each agency account.
270 The two earliest volumes, 1889-1904 and 1910-1919, show the account heading, date, reason for the receipt or expenditure, and amount. Many of the entries are for patient boarding payments. The 1923-1930 ledgers show account headings, fiscal year, amount of appropriation, amount of monthly expenditures and total expenditures.
