261 Working files for the organization and planning of the annual Delaware
Prevention Forum. The Forum is a three day conference for educators,
social workers, community providers, and families that emphasizes the
philosophy, effective techniques, and technologies of community-based
prevention programs.
270 Subjects include agendas, local information and accommodations,
correspondence, speakers, meeting rooms, registration lists, press
packets, interpreters, workshop topics, conference planning manual,
handouts, Village Awards, and staff assignments.
