 261 Copies of records relating to cases brought before the Foster Care  
 Review Board. They document the review process for out-of-home  
 placements.  
 270 Records include lists of children to be reviewed, correspondence, Board  
 findings and recommendations, progress reports, and permanent placement  
 plans. Records show the name, age, and race of the child, date of  
 birth, names of foster and natural parents, address of residence, names  
 of invited participants, date of review, reason for foster care,  
 placement history, other family members, and proposed length of  
 placement.
