261 W. W. Mack, Chief Engineers, copy of meeting minutes.
270 Minutes show date and place of the meeting, names of members and guests
in attendance, matters under consideration. Items considered include
election of members, changes and approvals of past minutes, approval of
awards, final estimates, franchises on construction projects, reports
concerning survey of traffic movements, plans for police protection,
copies of correspondence to and from the department, resolutions passed,
request and election of signs and traffic signals, accident reports,
purchase of equipment and vehicles, road petitions, approval of property
sales, and allowances of bills. Each meeting's minutes also include an
agenda.
