 261 This "Index" is really a log book for the Notebooks in series RG
 1540.042.
 270 Entries show book number, road or bridge location, description of work,
 contract number and date. Prior to 1966, the contract number and date
 were not consistently recorded. This "index" contains only a reference
 to a particular volume, no page number noted. The last field notebook
 indexed in this series is #5128. In order to use is best to first
 review the survey record which will send the user to a specific volume
 and notebook number.
 290 "Index to Field Books" on front cover of first four volumes; contract
 number span contained in volume is written on the front cover of each
 volume.
