261 Audio and video, primarily containing public service announcements,
press conferences, and news clips on Department activities from local
television stations.
270 Contents include press conferences for completed DelDOT projects and
ceremonies; public service announcements (PSA's) created for television
related to public safety as well as new road and highway features such
as EZ-Pass, SR-1 and bicycle paths. One video highlight is the Hickory
Bluff Ceremony, Nanticoke People (1998). There are several copies of
"Rt. 1, The Relief Route," a twelve minute video which describes the
planning and construction of Delaware's largest public works project.
