261 Right-of-way agreements between the Department and New Castle County or utility companies. Agreements are for water, sewer, telecommunication, electric, cable, and natural gas lines to be built across or along state highways, roads, and streets.
270 The Franchise and/or Use and Occupancy Agreement, later called the Utility Franchise form, shows the name and address of the utility, a description of the instillation and work to be done, road restoration work required, the highway effected, location and hundred, length of instillation, amount of annual payment for use of the right-of-way, and plots of the work location.
