 261 Record of prisoners committed and discharged as well as their court appearances.
 270 Records are for the New Castle County Workhouse, Kent Correctional Institution and Sussex Correctional Institution. The volumes contain a Statistical Section, a "Commitment Section", a "Discharge Section" and a "Court Record" section. The Commitment Sections show name and registration number of prisoner, date committed, length of sentence, race, sex, if from Wilmington, Delaware or out of state, committing jurisdiction, final jurisdiction, type of offense, age, and marital status. Month statistics were maintained at the front of the book on these categories. The Discharge section shows the name and registration number of the prisoner, when committed, term, fine and costs collected, when discharged and how discharged. The Court Record section shows name and registration number, date committed, charge, bail, how committed, date court action, and final disposition. For the years 1962-1966 this information was maintained in separate volumes.
