 261 The Department contested the issuance of a New Jersey Pollutant  
 Discharge Elimination System Permit to the Salem Generating Station  
 without fair compensation to Delaware. The Settlement Agreement  
 established an escrow account of \$10,575 to primarily restore wetlands.  
 The Declarations of Restrictions and Covenants describe five selected  
 properties that will have wetlands restored.  
 27X Each Declaration of Restrictions and Covenants includes a background  
 statement, metes and bounds of property, the Settlement Agreement, the  
 new Jersey Pollutant Discharge Elimination System Permit, deed  
 restrictions, copies of related laws and regulations, and a plot of the  
 property. Properties include "Silver Run", "Lang Tract/Augustine  
 Marsh?", "Cedar Swamp", and "The Rocks," all in New Castle County and  
 "Woodland Beach" in Kent County.
