261 Dearings created by Civilian Conservation Corps(CCC) companies #1295 and #3221 to plan mosquito control ditches in the marshes of Kent County.
27X Drawings show landmarks, *ie*, roads, streams, towns, etc., location of proposed ditches, and usually contain the section number. Some drawings also show the CCC company, scale, date, name of location, and name of person doing sketches. Also included are tables for the Magnolia CCC camp that show the section number, total acres, number of acres completed on 4/1/1938, number of acres to be completed, and totals.
