 240 20 cf
 241 20 cfb.
 261 Public hearings were held to discuss and investigate violations of
 environmental regulations, requests for variances, requests for permits,
 and to seek public discussion on DNREC proposals.
 270 Files generally contain public notice, hearing transcript,
 correspondence, draft and final regulations, hearing officer's report or
 memorandum, Secretary's order, and exhibits (photographs, videos, maps,
 charts, plans, etc.).
