 261 Reports on toxic chemical releases made to the Air Quality Management  
 Section by Delaware manufacturers.  
 270 Submittals consist of an EPA Form "R", the Toxic Chemical Release  
 Inventory Reporting Form, and may have a cover letter. These records  
 show the date of the report, name of the company, name of chemical,  
 report year, CAS number, report status, technical contact name and phone  
 number, location, Dun and Bradstreet number, EPA identification number,  
 uses of the chemical, amount on-site, how released, if transferred to  
 off-site location, on-site waste treatment methods and efficiency, on-  
 site energy recovery processes, on-site recycling processes, and  
 quantity released, used on-site, or recycled. In addition, many of the  
 submittals are on 3.5" diskettes and on a CD.
