140 Residential Septic Permit Cards
200 1967
210 1996
220
240 2.8 cf.
241 1 card file cabinet (partially full).
261 Index to the septic permits issued by the Department. Most are for Kent County.
270 Cards show the permit number, permittee name, address, and may note a description of the location, date of inspection, description of the septic system, and number of bedrooms. The cards for Kent County, 1968-1996, are divided by hundred. The cards for New Castle County, 1991-1996, are divided by district number. A small number of cards for Sussex County commercial sites, 1967-1972, are also present.
