 261 Drafts of speeches delivered by W. S. Corkran, Executive Officer and
 Engineer of the Mosquito Control Commission, at the New Jersey Mosquito
 Extermination Association annual meeting and other program materials.
 270 One speech describes the drainage work accomplished by the Civilian
 Conservation Corp and the Civil Works Administration in Delaware. The
 other describes the effects of ditching on the muskrat industry. Also
 found here is an organizational chart, yearly progress report, graphs
 showing expenditures for mosquito control, and a map of the state
 showing location of work. For additional information see 1325-003-147
 State Reports Collection, RG 1640.
