 27X Early minutes include correspondence, reports, and communications from Washington, D.C. Minutes detail Delaware's civil defense policies and procedures. Record includes annual reports of the State Director of Civil Defense; report of simulated bomb disaster in Delaware (1958); and a record of assistance rendered after the explosion at Kent Manufacturing Plant in Chestertown, MD (1954). 1957 Minutes also include minutes of the New Castle County Civil Defense Advisory Council and a copy of the State of Delaware Civil Defense Laws. This series continues under the new title "Emergency Planning and Operations Division", see series 1660.1. Excellent source for ascertaining Delaware's initial responses to the Cold War.
