 261 Address cards sent to the State Selective Service Board notifying the Board that a registrant had been discharged or separated from or entered into active service. Each registrant was credited against the quota for the local board.
 270 Home address cards show name of registrant, rank or rating, race, branch of service, date entered service, serial or service number and home address at time entered the service, state, county, local board number and selective service order number for enlistee who had registered with the Selective Service Board. Data found here is compatible with that found on DDS form 166. This series also contains separation cards for enlistees who have been discharged or separated from services. The separation cards contain that noted above with the addition of date of discharge or separation, type of discharge certificate, reason for discharge or separation of enlistee and signature and rank of reporting officer. Data found here is compatible with that found on DDS form 167.
