 261 Record of financial and administrative functions and activities in the  
 office of the Adjutant General.  
 27X Contained in the files are: correspondence concerning the draft and the  
 movement of military organizations, memos from the war department,  
 financial statements showing yearly receipts and disbursements and  
 salaries and annual reports. Annual reports show strengths of  
 battalions, completion dates and mustering activities and duties of  
 particular detachments or regiments, numbers of men and officers drafted  
 or enlisted and itemized financial statements. Files contain original  
 letters from the Adjutant General to the Governor and copies of letters  
 from the Governor.
