261 Education in Sussex County Oral History Tapes and Transcripts.
270 This project focused on four educational experiences in Sussex County Delaware Schools from 1900 - 1966; Rural White, Town White, Black and Indian. The subject matter discussed the school house construction and furnishings, teachers, education, qualifications, teaching ability, subject matter, subjects taught, extracurricular teaching, discipline, routine, nature of students, comparison to those of other schools and an evaluation by the interviewee of his personal educational experience.
