 261 Records concerning activities and functions relevant to the construction  
 of the Washington Street Bridge.  
 27X Files include an analysis of expenditures and cost of construction of  
 the bridge, reports of engineers and architects, agreements concerning  
 utilities, correspondence from the commission, and an executed contract  
 for the bridge. Minutes of meetings of the executive officer,  
 concerning funding, completion of plans, drawing up of contracts and  
 specifications of the bridge and the reception of the bids can be found  
 here also. For similar records also see County Engineer RG 3221.
