Includes correspondence to and from the Commission and minutes; correspondence shows date, addressee, and sender; minutes contain date and location of meetings, members present, matters under consideration, such as reports presented and bills approved. Minutes show date and location of meetings, members in attendance. Matters under consideration (such as relevant bills before the state legislature and congress, the diversion of the Delaware River Waterfront, the preparation of informational pamphlets for general distribution, reports on various subjects relevant to the waterfront, concerns over recent storm damage and allowances of bills. Also included in the minute volume are transcriptions of the law creating the commission, charter, and by laws and bonds of commissioners. A pamphlet on the Commission regarding their purpose in protecting and advancing the interest of everyone affected by the changing conditions of the Delaware waterfront is among these records.
