 261 Individual fire company alarm reports that were sent to the State Fire
 Marshal's office for statistical purposes.
 27X Reports give fire company name; date and time of alarm; alarm received
 and units return times; location of fire alarm; owners of property;
 occupant of property; fire cause; property and damage values; fire
 company officer in charge of alarm; number of firefighters responding to
 alarm; miles traveled for fire apparatus; assisting fire companies;
 remarks of the alarm; and the name of the fire recorder submitting the
 report. Some fire companies also included a yearly report which included
 all above information.
