261 Records created in response to policies and procedures established by colonial governors of the area and documenting all administrative activities.

27X Records contain deed acknowledgments, civil and criminal dispute cases, probates, assessment records, etc., reflecting both administrative and judicial activities of the county. Libers A and B are originals of records for 1676-1681. Remaining volume is an abstract of records appearing in A and B and contains additional records to 1699. This abstract volume was compiled by Evan Rice and Thomas McKean at the request of the House of Assembly of the Lower Counties in 1770. The original Liber A and B are reputed to be in the handwriting of Ephraim Herman.
