 261 Specifications, proposals, contracts, and bonds for work on roads and bridges in New Castle County.  
 27X Information found in the records includes purpose and location of the project, regulations, specifications, contract and bond of the contractor, and proposals. Instructions to bidders describe location, length, and dimensions of road or bridge; date bids due; and needed amount of bond submitted with bid. Specifications describe project, dimensions, requirements, types of material to be used, and quantity and quality of material to be used. Proposal entries show anticipated project costs. Contract entries show conditions of agreement, date, and signatures of the Levy Court president, Clerk of the Peace, highway commissioner, and contractor as well as the project deadline, cost agreement, and bond of the contractor to ensure fulfillment of contract terms.
